## mine Education Experience

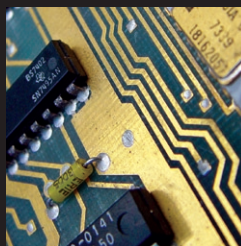

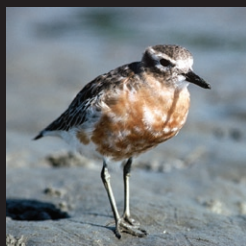

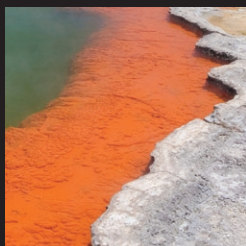

**you're invited to come and visit us..**

*We offer a wide range of curriculum-based lessons and activities for students of all ages.*

### **ACTIVITIES INCLUDE...**

- an inside the fence - up close guided gold mine tour (1.5 hrs)
- education sessions in our purpose-built classroom (1.5 hrs)
- team building activity based around the mine's Pit Rim Walkway (1.5 hrs)
- An 'underground' visit (20 mins)
- or we can interact with your students via Skype.

### **Whether it's...**

- business studies and economics
- geography and social science
- gold mining and gold uses
- the environment and social responsibility
- science and technology
- history and tourism
- or another topic you might be studying.

Contact us so we can work with you to customise your learning experience to suit your needs. We offer the latest learning technology and now provide an interactive 'Skype' option.

Gold mine tours and Education Centre sessions and activities are FREE to school groups as part of our education outreach programme. Our trained staff are available to discuss the best ways to maximise learning opportunities for students before, during and after your visit.
